CLUB

Since its inception over 12 years ago, Franklin's Club Series is designed for travelling in the utmost luxury and comfort. Our highly skilled design team have ensured that the Club meets and surpasses our company's principles of excellent build quality and includes many of the latest innovations in design and technology.

Luxury on-road living comes alive in this feature-packed van; including stylish matte black tapware, and a grey water tank as standard. The Club's list of features goes on – so why wait? Visit your local Franklin Caravans dealership today and *Get Connected To Your Lifestyle.*
